Email: [privacy@pyjama.fi](mailto:privacy@pyjama.fi)

### **3. Name of the register**

Pyjama Films Contact Register

### **4. Purpose of the register**

The collected personal data is used for maintaining customer and subcontractor relationships, invoicing, delivering orders, and marketing. Personal data related to job application processes is also processed.

### **5. Legal basis for processing personal data**

Data of customers and partners is collected and processed with the consent of the individuals concerned and to fulfill contracts made with them.

### **6. Data content of the register**

The register contains the first and last names, email addresses, phone numbers, website addresses, and any other additional information provided by individuals who have contacted us via contact or recruitment forms.

## **7. Data retention period**

Personal data processed based on consent is retained for a maximum of five (5) years, or until the customer or subcontractor withdraws their consent. Accounting materials are stored for six years in accordance with the Accounting Act.

## **8. Regular sources of data**

Data in the register is obtained when a person submits a contact or recruitment form via the pyjama.fi website or provides information via email or another communication channel to a representative of Pyjama Films.

## **9. Regular disclosures of data and data transfers outside the EU or EEA**

Data is not regularly disclosed to other parties nor transferred outside the EU or the European Economic Area. Data may be published or disclosed to third parties to the extent agreed upon with the customer or subcontractor.

## **10. Protection of the register and data storage**

The register is stored in Google Drive, where it is accessible and usable only by Pyjama Films employees and limited to servers based in the European Union. Data may also be stored on Pyjama's secure server on-site. No physical copy of the register exists. Google is committed to complying with the EU Commission Standard Contractual Clauses to guarantee an adequate level of data protection ([Google Data Processing and Security Terms 2.0](#)).

## **11. Automated decision-making**

The data is not used for automated decision-making or profiling.

## **12. Rights of the data subject**

The data subject has the right to inspect what personal data about them has been stored in the personal data register at any time, or to request the rectification or erasure of incorrect or outdated data. They also have the right to restrict or object to the processing of their data. All requests concerning data must be sent via email to the person responsible for the register: [privacy@pyjama.fi](mailto:privacy@pyjama.fi)
